HELD TO A HIGHER STANDARD

Dear BHM Customer,

We are pleased to announce the newest Boat Show in the region, Boat House Marine's Boat Days 2013. It will be a three day event highlighting the latest and greatest in water sport and pontoon boating including the 2013 boats from MasterCraft, Bryant, and Misty Harbor.

With the decision not to attend the Cleveland Boat Show, we will host our own boat show for our customers. So you can enjoy the boats, food and beverages, and not have to pay for tickets and parking!

We look forward to seeing you in our newly expanded showroom for the BHM Boat Days in January.

Sincerely,
James Repasky
President/Owner
