

# BOAT SHOW CHECKLIST

## IN THE BOAT - COMFORT & DESIGN

### ☐ Sit in every seat

- How do the ergonomics feel? Are the seatbacks at a comfortable angle? Is there a place for your arm, your drink, and your phone?

### ☐ Materials & Cushioning

- Is the upholstery premium, durable, and cool to the touch?

### ☐ Storage & Accessibility

Is there ample, easy-to-access storage for gear and essentials

### ☐ Cockpit Experience

- Is the ride smooth and quiet, or does the boat rattle at speed or in choppy water? What does it feel like going over a double up?

### ☐ CLIMATE & CONVENIENCE

Does the boat have features like a heated seat, phone chargers, a trash can, cameras, or a built-on cooler?

## EASE OF USE - OWNERSHIP & RELIABILITY

### ☐ Technology & Software

- How intuitive is the dash system? Can you easily adjust settings without guidance?

### ☐ Maintenance & Serviceability

How accessible are key maintenance points? Can you easily access the battery switch?

### ☐ Warranty & Support

- Does the brand back its product with industry - leading warranties?

### ☐ Functional Features

Are there convenient design elements like clamping board racks, flip-up seating, or easy tower operations? Can you raise and lower the tower with one person? Is the bimini easy to fold and deploy?

### ☐ Dealer Support

- Is there a strong, knowledgeable dealer network for assistance and service? Does the boat offer connectivity to keep you and your dealer informed on health status?
